

PFEIFFER VACUUM: YOUR VACUUM PARTNER

Cole Frantz- September 21st, 2026

BUSCH GROUP

YOUR RELIABLE PARTNER FOR ALL VACUUM NEEDS.
FAST, FLEXIBLE AND ALWAYS NEAR YOU.

The standard in rough and medium vacuum technology for a wide range of industries, like food packaging, chemical, plastics. Since 1963.

More than 130 years of experience for best-in-class high vacuum, leak detection, and gas abatement. For semicon, analytics, research, etc.

VACUUM KEEPS FRESH

Feeding the world is one of the biggest challenges of our time.

With vacuum, food can be preserved longer and stays fresh and nutritious.

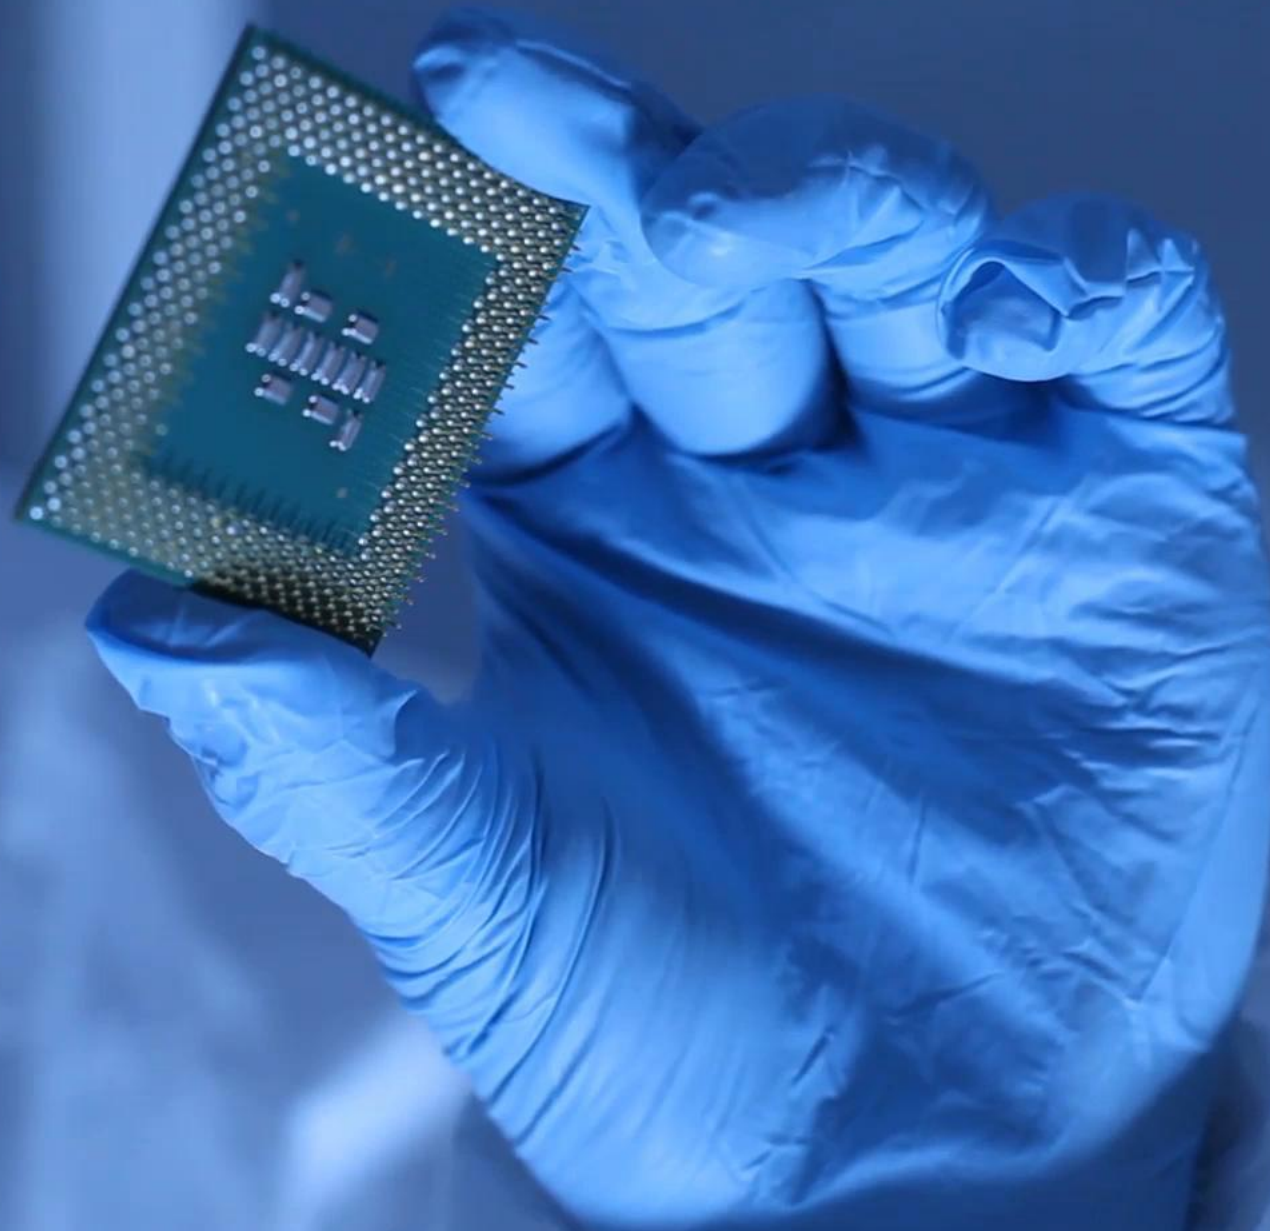

We contribute to providing healthier food to more people, fighting malnutrition and hunger in the world.

VACUUM DRIVES PROGRESS

Digitalization shapes the development of our globalized world.

The semiconductor industry provides the components with which our modern electronic devices work. Their production requires vacuum, which is generated with the aid of turbomolecular vacuum pumps - invented by Pfeiffer Vacuum.

Accelerator Vacuum

- Diversified
- Project driven
- Customized design
- Radiation resistance
- New technologies

- Turbopumps
- Roughing
- Gauging
- Hardware
- Controllers

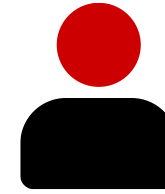

Pfeiffer Canada

The Future of High-Performance Vacuum Systems
