

Session Program

Sep 20 - 25, 2026

10th International symposium on Negative Ions, Beams and Sources - NIBS'26

S1: Chairperson -- Lenaic Couedel, U. Marseille

Prestige Lakeside Resort Nelson, Conference Room

Mon, September 21

9:00 AM

S1: Chairperson -- Lenaic Couedel, U. Marseille

Session | Location: Prestige Lakeside Resort Nelson, Conference Room

9:00 – 9:25 AM

Shedding Light on the Cesium Sputter Ion Source

Speaker

Martin Martschini

9:25 – 9:50 AM

Diagnostic Measurements and Performance of the Cesium H- Source at LANL

Speaker

David Kleinjan

9:50 – 10:15 AM

The role of surfaces in high-current negative hydrogen ion sources

Speaker

Olli Tarvainen

10:15 – 10:35 AM

Application of TALIF for the Characterization of Negative Hydrogen Ion Production in Ion Sources for NBI

Speaker

Julian Hörsch

11:00 AM
