

Session Program

Sep 20 - 25, 2026

10th International symposium on Negative Ions, Beams and Sources - NIBS'26

S2: Chairperson - Klaus Becker, AMAT

Prestige Lakeside Resort Nelson, Conference Room

Mon, September 21

10:55 AM

S2: Chairperson - Klaus Becker, AMAT

Session | Location: Prestige Lakeside Resort Nelson, Conference Room

10:55 - 11:20 AM Applications, Developments, and Recent Work with O- Beams

Speaker

Dr Noel Smith

11:20 - 11:45 AM

Aspects of negative ions in Microwave PECVD Plasmas for Diamond Thin Film Deposition

Speaker

Prof. Michael Bradley

11:45 AM - 12:05 PM

First Results of a Novel Resonant Antenna Dual-Polarity Focused Ion Beam Source

Speaker

Felicien Filleul

12:05 PM
