

Session Program

Sep 20 - 25, 2026

10th International symposium on Negative Ions, Beams and Sources - NIBS'26

S1: Chairperson - Vincenzo Laporta, ISTP-CNR

Prestige Lakeside Resort Nelson, Conference Room

Tue, September 22

8:10 AM

S1: Chairperson - Vincenzo Laporta, ISTP-CNR

Session | **Location:** Prestige Lakeside Resort Nelson, Conference Room

8:10 – 8:35 AM

Advanced Negative Ion Source concept for Neutral Beam Injectors

Speaker

Gwenael Fubiani

8:35 – 8:55 AM

Simulation and Experimental Study on the Ejected Electrons from Negative Ion sources on the CRAFT NNBI test facility

Speaker

yuwen yang

8:55 – 9:20 AM

Conceptual design of a negative-ion-based neutral beam module for an FRC reactor prototype.

Speaker

Prof. Alexandr Ivanov

9:20 – 9:45 AM

Alternative Solution to Address the Challenge of Negative Ion Sources for Fusion

Speaker

Lenaic Couedel

9:45 AM
