

Session Program

Sep 20 - 25, 2026

10th International symposium on Negative Ions, Beams and Sources - NIBS'26

S1: Chairperson - Dirk Wunderlich, IPP-MPG

Prestige Lakeside Resort Nelson, Conference Room

Thu, September 24

8:10 AM

S1: Chairperson - Dirk Wunderlich, IPP-MPG

Session | Location: Prestige Lakeside Resort Nelson, Conference Room

8:10 – 8:35 AM

Negative Ion Source Developments at the ITER-NBTF in Padua towards the start of MITICA-HNB Operation

Speaker

Diego Marcuzzi

8:35 – 9:00 AM

Stabilization of Long Beam Pulses at NNBI

Speaker

Christian Wimmer

9:00 – 9:20 AM

Experimental Investigation of Power Deposition Characteristics and Neutralization Efficiency in CRAFT NNBI Test Facility

Speaker

9:20 – 9:45 AM

Neutral Beam Injectors for ITER, Progress of Design and Manufacturing Activities

Speaker

Carlo Poggi

9:45 AM
